Dear All,

Following a report from a vigilant member of the public in Shipston yesterday regarding 2 males stealing metal in the town, 2 males were arrested later on in the day in the Studley area on suspicion of theft, possession of Class A drugs with intent to supply and money laundering. The 2 males are still in Police custody and being dealt with for the offences. They are very active locally and use a silver W-reg Ford Focus, so please report any suspicious sightings to the team.

Please also be aware of a light blue Rover 75 X-reg and a Red Escort van W-reg, both used by offenders who commit local rural crime. Again please report any suspicious sightings to the team.

Regards

Richard

Please report crime on the new phone number 101 (non-emergency) or 999 (emergency).
