DATA PROTECTION POLICY

Introduction

In order to conduct relevant business, services and duties as a public authority, Marston Sicca Parish Council processes a range of data relating to its own operations and some which it handles on behalf of partners. In broad terms, this data can be classified as:

- Data shared in the public arena about the services it offers, its mode of operations and other information it is required to make available to the public.
- Confidential information and data not yet in the public arena such as ideas or policies in the process of being decided.
- Information about other organisations that is confidential because of commercial sensitivity.
- Personal data concerning its current, past, and potential employees, councillors, and volunteers.
- Personal data concerning individuals who contact the Parish Council for information, to access its services or facilities or to make a complaint.

Marston Sicca Parish Council will adopt procedures and manage responsibly, all data which it handles and will respect the confidentiality of both its own data and that belonging to partner organisations it works with and members of the public. In some cases, it will have contractual obligations towards confidential data, but in addition will have specific legal responsibilities for personal and sensitive information under data protection legislation.

The Council will be as transparent as possible about its operations and will work closely with public, community and voluntary organisations. Therefore, in the case of all information which is not personal or confidential, it will be prepared to make it available to partners and members of the parish communities.

Details of information which is routinely available is contained in the Council's Publication Scheme which is based on the statutory model publication scheme for local councils.
